- MD 200' 9mm
- SM 100' 9mm

## ITEM #LS-175:

### LIFE SAVING Rope Bag

Holds 175' of 9 mm Rescue Rope. Has a carabiner pocket on top. Has heavy-duty adjustable shoulder harness with seat belt release. Fits great in any compartment. Shape allows for compact storage.

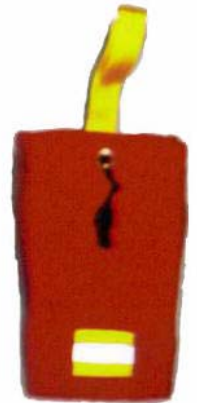

## SR250: Search & Guide Rope Bag

This bag will hold up to 250' of 1/2" Utility rope. Features a break away shoulder strap, D-Rings for attaching ropes and is made of 18 oz. Rip stop flame resistant vinyl. Yellow only with black trim. Should only be use by highly trained and skilled firefighters.

## ITEM #6750:

This emergency bailout bag holds 50 ft of 8 mm personal escape rope. Has tubular web loop for door handle. Is constructed of heavy-duty #10 red cotton duck. Has 3M lime/silver reflective trim. A must for every firefighter. Comes standard in red.

## ITEM #LAS-Large Area Search Bag

Bag features 3 attached pockets for tag lines and chocks. Has main rope duffel for up to 250' of 1/2" rope. Has speed clip for attaching and grab handle. Should be used only by highly trained personnel. Are you ready to search that large open space in your town?? We'll be ready.

Available in Orange & Green  
Florescent 1000D Cordura

## ITEM #A-1-ALLEY CAT WEB TOSS:

This simple solution comes with 40' of 1/2" 250# nylon webbing for hauling tools and equipment into upper floors and to roof tops. Great for those winding stairs. Just toss out the alley cat, attach to your handline, haul in window, and go to work. Bag stays attached to webbing so you never lose the bag. Speed clips make it easy to attach and detach. Great for Engine Companies and Truck Companies.

**ITEM #6704:** Mini Rope Pouch is a 6"x 4" rope pouch with grommet and speed clips. Bag also has D-rings for clipping ID tags and carabiners.
