ITEM #1080:

RIT MAT 5' x 10' Features all blue rip stop vinyl. Sections are all marked with the word RESCUE. There is a pleated area for spare air cylinders. Plenty of room for all of your rescue equipment. This is a great tool for all RIT, RIC and FAS teams.

ITEM #FP7233: This Fire Safety and prevention mat is made of heavy-duty rip-stop vinyl.

The mat is 6'x10' multi colored. It features the Stop Drop and Roll drill on Side A on the B Side it features Stay Low in Smoke. The mat is fully padded so it can be set up anywhere inside or outdoors near your smoke trailer. The mat cleans up easy with soap and water. Mat comes complete with storage bag.

ITEM #1070: This convenient fold-up pleated mat holds up to 12 SCBA cylinders with color-coded marked sections. Red is clearly marked EMPTY and Green is clearly marked FULL. Keep your gear organized and clean on any fire ground.

ITEM #1095:

6' x 10' Purple mat with the word HAZMAT comes with holding strap and is great for staging equipment or Decon.

We Have Solutions For All Your Staging Needs!

ITEM #6804: 26" x 48" with holding strap. Mat features pleated sections for Rescue Struts or Air Shores. Large open area for add-on equipment. Comes with standard labels Rescue & Struts. Protect your valued investment in life saving equipment.

ITEM #6104: Dealers, we have a solution for your displays. Obviously all of our mats combined take up quite a bit of both space and/or store space. Our staff has come up with a great set of miniature mats all 1' x 2' with model #, size, and descriptions marked right on them. This kit will enhance your displays and enable customers to look at all of our selections with one quick glance. This will not only show our great quality, but how each mat will benefit the fire departments.

ITEM #4001: This is the newest staging MAT from Avon Manufacturing Company. It is 6' x 10' bright yellow rip stop vinyl. It features sections for Hand & Power Tools, Cutters & Spreaders, Rams, and Cribbing. Each section is divided with embroidered patches for long lasting identification. Each MAT comes with carrying strap.
