## *First IN: Fireground Leadership, Tactics and Strategies*

**March 19th, 2012**

**9:00 a.m. - 5:00 p.m.**

**Registration Fee: \$65.00**

First-in fire companies arriving at structure fires are under a whirlwind of fast paced dynamic decision making. This seminar series is delivered by two of America's fire service veterans culminating 60 years of experience. DC Kevin Maloney and Lt. Mike Mason have been providing some of the most valuable firefighting information to firefighters for years. This unique and compelling program covers the fireground dynamics and its relationship to the decision making processes incorporating the risk of interior firefighting. The program also covers a wide range of topics such as rules of engagement, battleground leadership, principles and studies for high risk low frequency events, size-ups related to old and modern building construction, imminent dangers at structural fires, tactics and strategies while also providing true experiences and case studies.
