Leadership On and Off the Battlefield”**

September 7th, 2012

8:00 a.m. - 12:00 p.m.

Registration Fee: \$40.00

This look into the world of leadership for firefighters, company officers, captains, and chiefs will provide some of the most groundbreaking aspects of leading firefighters on and off the fireground. It is a wake-up call to fire departments across America regarding leadership in the “paramilitary” environment that is being created in the fire service today. It is an in-depth look into managing and leading on and off the battlefield from the philosophies and actions of those who have been there within the military as well as the fire service. Learn to motivate firefighters through compassion, trust, sense of duty, courage, and commitment while keeping them safe on and off the fireground.

NOTHING BUT INSPIRING FROM START TO FINISH...
